

## Session A – Medical Sciences - Detailed information

The 3rd Japan-Russia Student Forum on 12-13 September, 2021, Niigata University, Japan, online

SLOGAN: "Crossing All Boundaries and Sharing Your Ideas"

### 1. Session A : Medical Sciences

#### 2. Subtitle:

"Effects of COVID-19 pandemic in different aspects of life (education, healthcare system, international student exchanges, public health realities)".

#### 3. Summary:

Since COVID-19 gave our society a big impact, students have continued to do activities together online. Looking ahead to the era of after COVID-19, students from both countries will exchange ideas and opinions across countries, places, universities, specialties, languages, and cultures so as to open up a new era. The aim of this forum is to further enhance mutual understanding and friendship between Japan and Russia from the standpoint and perspective of students by conducting discussions and presentations on multiple themes.

#### 4. Detailed information:

Students will be divided into four groups according to the topics they are interested in.

Group 1. Medical student education in times of COVID-19

Group 2. Impact of COVID-19 pandemic on health system.

Group 3. International exchanges in the time of COVID-19.

Group 4. COVID-19 pandemic& vaccination and public health reality

Students will work on the topic in groups and at the end they will prepare some conclusions and proposals.

**★Please notice that session A schedule is different from other sessions!**

Session A will be held on the following schedule:

September 12<sup>th</sup>, 2021 (Sun)            From 18:15 till 20:00 (Japan Standard Time)

September 13<sup>th</sup>, 2021 (Mon)        From 16:30 till 18:00 (Japan Standard Time)

#### 5. Pre-assignment (if any):

Students will be divided into four groups. Please find the group you belong to (see the Participants List) and prepare some background information on your topic. It will help you prepare for further discussion,

3 September 2021

especially when you're investigating a field that's unfamiliar to you.
