Dear President Tatsuo Ushiki,

Congratulatory Message to Niigata University on its 75th Anniversary

On behalf of National Cheng Kung University (NCKU), it is with great honor to express my sincere congratulations to Niigata University on its remarkable 75th anniversary.

Since the start of our partnership in 2010, both universities have diligently worked to develop actual collaboration, particularly within the Colleges of Engineering, Science, and Planning & Design, which have not only strengthened academic ties but also fostered cultural exchange and mutual understanding between our universities. Our joint efforts have laid a solid foundation which led to the establishment of university-level relationship in 2016. This symbolizes our shared commitment to advancing education, research, and global engagement, while providing invaluable opportunities for students, enriching our academic communities, and enhancing our collective impact on society.

We are profoundly grateful for the continuous support and collaboration from Niigata University over the years. Your unwavering dedication to excellence and pursuit of knowledge serve as an inspiration to us. We eagerly anticipate many more years of fruitful partnership and friendship.

Once again, we would like to extend our warmest wishes for a joyous and successful anniversary celebration. May Niigata University continue to thrive and prosper in the years ahead.
