16 May 2024

To valued colleagues,

This letter is to share our well wishes and congratulations to the staff and students at Niigata University. We are delighted to undertake a small part in your festivities to honour your 75<sup>th</sup> anniversary.

We enjoy a fruitful partnership with Niigata University and were delighted to send a student as part of exchange agreement this current year, in 2023/24.

We thank you again for considering our applicants, and welcoming our students. All the best for your continued success!

Yours sincerely,

Holly Williams  
Centre for Study Abroad Officer
